## UNHEARD OF LANDSLIDE.

### Entire Republican County Ticket Elected.

### Democrats Used New Device to Defraud but Availed Them Nothing.

Tuesday's election resulted in an unheard of landslide for the entire Republican ticket, 757 being registered for E. M. Woodward and 705 for W. B. Taylor for County Judge. Not only was the whole county ticket elected by majorities ranging from 529 to 575, but every magisterial district gave a Republican majority and Ohio county will after the first of next January have a fiscal court composed of seven Republicans and no Democrats.

The election in many respects was one of the most quiet election for county officers held for many years. There seemed to be no one excited except the Democrats and no one made any great stir except them. They indeed worked hard but the voters failed to work with them. In some precincts the voters were intimidated and refused admittance to the polls by Democrat sheriffs of the election and in several precincts a vote register or indicators which were procured in Louisville by one of the Democratic candidates were used by the Democratic precinct heelers to further aid them in buying votes and awing the voters, but they availed them nothing. The boast of the Democratic candidates that they intended to buy the whole county indeed failed to materialize, but they tried and they had "boodle" to spare but the honest voters could not be lured from the right by their glittering coin. The total vote of each candidate is as follows:

## FALLING LIMB.

### Causes the Instant Death of Willie Chinn Near Heflin.

Willie Chinn a well known young man of Heflin, Ky., was instantly killed Friday afternoon by a falling limb.

The young man was engaged in logging on the Rowan tract of land being employed by Thomas Johnson, who has the contract for cutting a quantity of timber. He, with four or five other men were working in the woods, when a limb from a falling tree flew back and struck him. The side of his face was bruised, his left shoulder was broken down and several of his ribs were crushed in, penetrating his lungs.

The young man was taken to the home of his father, Eley Chinn, which was about a mile away and prepared for burial, which took place Saturday afternoon at 2 o'clock.

## In Memoriam.

The angel of death again visited our community November 1 and claimed Miss Mattie daughter of J. B. and Londa Graves while yet only about 1 year of age. Oh how sad to see one so young and fair cut off by early doom but we must bow to the will of Him who is too wise to err and too good to do wrong. Mattie was of such a sweet disposition the very type of a pure christian young lady, she had many warm hearted friends who extend their sympathy to the bereaved family and also her associates. She will be sadly missed in society where she mingled, may we all look forward to a time when we shall again clasp hands on the other shore. Farewell Mattie we hope to meet when life short journey is o'er. We hope to meet you there on that celestial shore. Ceralvo, Ky.

## THE GREAT RALLY.

### Large and Enthusiastic Crowd of Honest Sons of Toil in Attendance.

The greatest gathering of farmers ever witnessed in this county took place at Hartford fair grounds on Saturday, November 4. About 8 o'clock the gates of the fair grounds were thrown open and in poured one continual stream of humanity which lasted until a late dinner hour and still they came until that beautiful woodland on the north side of the grounds was one swaying mass of humanity. Every one seemed to realize that it was rally day and every one seemed to enjoy themselves to the fullest extent.

At 10 o'clock Mr. Westerfield, of Daviess county, made a splendid speech of 30 minutes which was heartily applauded and cries of "Sharp!" "Sharp!" went up all over the crowd at which time M. F. Sharp, our county organizer and secretary, took the stand and for 30 minutes held that immense crowd spell-bound and at the conclusion of which exultant and prolonged cheering rang out. The county president, David Moreland, came to the stand and announced that the time had arrived for the parade and to line up on the inside drive of the ground and thus began the first farmers parade which was ever witnessed in Hartford. The parade was in close double file. They went up on the right side of Main street and around court square over to Griffin's drug store and down to Main street and then back to the grounds. One special feature of the parade was the appearance of that beautiful banner of the United Mine Workers of America. It struck about the center of the parade.

Intense and prolonged cheering rang out when the front ranks reached the bridge. When all had regained the fair ground, the County President announced the dinner hour and all repaired to their several well-filled baskets that the good women of Ohio county knows so well how to prepare.

Dinner being served they returned to the grand stand where speeches were made by Messrs. Foster Wade and others which entertained the crowd till our National President of the Tobacco Growers Association, E. L. Davenport, who came up on the 12:30 o'clock train, arrived where he was met at the depot by Mr. Park and drove to the fair ground where he was most enthusiastically received. Prolonged cheering lasted for several minutes, after which he reached the stand and was introduced by J. P. Foster.

Mr. Davenport took for his subject The gospel meat of the A. S. of E., and the old way and the new" and "waded in" and held those anxious thousands spell bound for an and a half. He was very frequently hour applauded until it became deafening.

Mr. Davenport is a man of excellent physique with pleasing manners and incessant flow of language and a natural orator.

At the close of the speech the people dispersed to their many homes and so ended a very pleasant day of the toiling thousands of Ohio county.

## Resolutions of Respect.

At a call meeting of Rough River Lodge No. 11, Knights of pythias, held at Castle Hall, in Hartford, Ky., on November 3, 1905, the following resolutions were adopted regarding the death of our brother Sam S. Cox:

Whereas, It has come to the knowledge of this Lodge that Brother Sam S. Cox, a valued member and officer of our Lodge, died at the home of his brother-in-law at Elkton, Ky., on Thursday afternoon, November 2d, 1905, to which point he had recently gone for a short visit; Be it therefore

Resolved, 1st. That the information conveying to us the sad intelligence of the death of our brother

comes to us as a great surprise and shock, and it is with heads bowed in grief that we are called upon to pay to him and his memory this last small token of our appreciation of him and his sterling young manhood; his worth as a member and officer of this Lodge and more than all his worth as a citizen of Hartford, the town of his birth, where he was loved and respected by all who knew him

2d. That we, the officers and members of this Lodge, bow in humble submission to the acts of an alwise God who doeth all things for the best, and that we shall always cherish his sunny disposition and try to emulate his goods traits, realizing that in his heart he had cast out every grudge and had banished every unkind thought and had put away every personal prejudice and was a shining light in our order, and we were proud to have his name on our roster.

3rd. That we have lost a true and faithful Knight, one who ever wore the armor of truth, virtue and morality and who held these traits upmost in his every day affairs of life and thus disseminated the principles of friendship, charity and benevolence.

4th. That a copy of these resolutions be spread upon the minutes of our Lodge, that a copy to be furnished to the family of the deceased, and a copy furnished each of the local papers for publications.

Done by the order of the Lodge, this third day of November, 1905.

## Many Persons Have Catarrh of Kidneys, Or Catarrh of Bladder and Don't Know It.

### President Newhof and War Correspondent Richards Were Promptly Cured By Pe-ru-na.

Mr. C. B. Newhof, 10 Delamare street, Albany, N. Y., President Montefiore Club, writes:

"Since my advanced age I find that I have been frequently troubled with urinary ailments. The bladder seemed irritated, and my physician said that it was catarrh caused by a protracted cold which would be difficult to overcome on account of my advanced years. I took Peruna, hardly daring to believe that I would be helped, but I found to my relief that I soon began to mend. The irritation gradually subsided and the urinary difficulties passed away. I have enjoyed excellent health now for the past seven months. I enjoy my meals, sleep soundly, and am as well as I was twenty years ago. I give all praise to Peruna."—C. B. Newhof.

### Suffered From Catarrh of Kidneys, Treated With Nervous Collapse, Cured by Pe-ru-na.

Mr. F. B. Richards, 609 E Street, N. W., Washington, D. C., War Correspondent, writes: "Exactly six years ago I was ordered to Cuba as staff correspondent of the New York Sun. I was in charge of a Sun Dispatch boat through the Spanish American War. The effect of the tropical climate and the nervous strain showed plainly on my return to the states. Lassitude, depression to the verge of melancholia, and incessant kidney trouble made me practically an invalid. This undesirable condition continued, despite the best of treatment.

Finally a brother newspaper man, who like myself had served in the war, induced me to give a faithful trial to Peruna. I did so. In a short time the lassitude left me, my kidneys resumed a healthy condition, and a complete cure was effected. I cannot too strongly recommend Peruna to those suffering with kidney trouble. To-day I am able to work as hard as at any time in my life, and the examiner for a leading insurance company pronounced me an "A risk."

### In Poor Health Over Four Years.

Pe-ru-na Only Remedy of Real Benefit. Mr. John Nimmo, 215 Lippincott St., Toronto, Can., a prominent merchant of that city and also a member of the Masonic order, writes:

"I have been in poor health generally for over four years. When I caught a bad cold last winter it settled in the bladder and kidneys, causing serious trouble. I took two greatly advertised

PRES. C. B. NEWHOF, Suffered From Catarrh of Bladder

kidney remedies without getting the desired results. Peruna is the only remedy which was really of any benefit to me. I have not had a trace of kidney trouble nor a cold in my system."

### Pe-ru-na Contains No Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotics of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effect.

It has no bad effect upon the system, and gradually eliminates catarrh by removing the cause of catarrh. There are a multitude of homes where Peruna has been used off and on for twenty years. Such a thing could not be possible if Peruna contained any drugs of a narcotic nature.

In a letter to the Courier-Journal from Ewing, Va., Frank Ball, the alleged Bell county fugitive-murderer, says he will return to Middlesboro for trial when satisfied he can have a fair and impartial hearing. Under a misapprehension Col. Roger Williams, of the Second regiment, K. S. G., ordered all the companies of his regiment ready for service in the mountains, but it is not now thought they will be needed.
